PART 2

household information

Please declare your total household income as reported in your 2025 official income declaration.

This amount must include:

- Salaries and wages received by all members of the household
- Income from self-employment or business activities
- Pensions (retirement, disability, survivor's pensions, etc.)
- Government benefits or state subsidies (social support, unemployment benefits, family allowances, etc.)
- Any other regular source of income
- Real estate and personal property owned by household members, together with their estimated market value

The declaration must include all members of the nuclear family and any extended family members living in the same household.

A. Household Members

Please list **all people living permanently in the same household as the applicant**, including nuclear and extended family members.
